Dear Sir:

The above-referenced application was allowed on November 17, 2004 but became abandoned on February 18, 2005 when the issue fee was not paid. Applicants hereby petition for revival of this application. Included with this petition is the \$1,500.00 petition fee pursuant to 37 CFR 1.17(m), as well as \$1,700.00 due in the response to the notice of allowance along with the issue fee transmittal. Applicants further submit that the entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional. Since this application was filed on or after June 8, 1995, no terminal disclaimer is required.

Dated: June 17, 2005
